- Admin/Effects
- Shipment of Personal Automobiles

REFERENCE: 25X1A6c

1. The interpretation presented in reference dispatch is correct.
2. Normally on a permanent change of station orders, the transportation of a personal automobile to or from a station outside the continental United States, its territories and possessions, is authorized at government expense. However, due to specific restrictions, transportation of a personal automobile is not authorized for personnel traveling PCS to and from certain areas, one of these areas being
